Dear Parents and Carers

Re: Parent View

Please could we ask parents and carers of our students to complete the Ofsted Parent View Questionnaire.

As a school we really value any feedback that is given to us from parents/carers. It is important that you have an opportunity to share your views, so that you are investing in your child's school. Furthermore, it gives us the opportunity to have a better understanding of our areas of success whilst also highlighting areas that we can aim to develop in the future.

You can give your views at any time of the school year using an online questionnaire called Parent View which can be found at <https://parentview.ofsted.gov.uk> or you will find a link under the "Parents and Students" page of our website. You will be asked for your opinion on 12 aspects of your child's school, from the quality of teaching, to dealing with bullying and poor behaviour.

Parent View is a nationally recognised survey and is utilised by OFSTED as a means to gauge parental opinion and to inform decisions about which schools to inspect, and when.

I would be grateful if you could please take the time to complete the Parent View survey at your earliest convenience.

Yours sincerely

Nadine Lapskas
